25X1 MEMORANDUM FOR: [REDACTED]

FROM:

Director of Training and Education

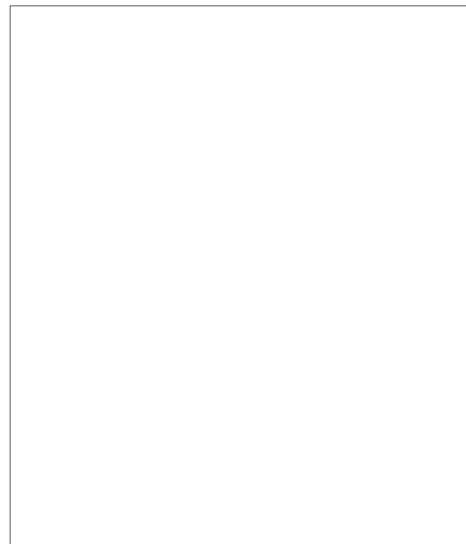

SUBJECT:

DCI Counterintelligence Conference

25X1 1. I want to pass along my appreciation for the excellent work done by our people [REDACTED] in support of the DCI's recent conference.

2. I know that a lot of special preparatory work went into the effort, and I know that it cost you and others time on Sunday and in the evenings to keep things flowing smoothly. And, by all evidence, they did indeed flow smoothly.

25X1 3. Maybe, we have all gotten used to [REDACTED] professionalism. Maybe that's the way it should be. But still, I know how hard it is to ensure that things go right, and when they do, I know it's because of the dedication, hard work and
25X1 attention to detail of so many. Bravo!
